TO AVOID MISTAKES OR MISUNDERSTANDING

BE SURE YOU READ THIS PAGE BEFORE ORDERING

First, OUR GUARANTEE. We absolutely guarantee safe arrival and perfect satisfaction in every way and if on receiving the goods or if anything develops later by which you feel that you have not received full value, let us know and we will either replace the goods or make other restitution satisfactory to you.

But remember no one is perfect. We sometimes make mistakes and in case of error either by shortage, unsatisfactory stock or any other cause, if you do not let us know and give us a chance to make it right you are doing an injustice to us as well as to yourself.

If for any reason it becomes necessary we reserve the right to change these prices, but if the price has advanced we will notify you before shipping.

If we are sold out of the variety ordered, unless you specify to the contrary we will substitute with the nearest we have.

DELIVERY CHARGE. All seeds are sent prepaid at the prices quoted. For all other goods if your order is less than \$1.00, send ten cents extra for packing cost. If \$1.00 or more, prices are net as listed, with no packing charge.

TERMS: Please send cash, check, money order or stamps, or if you prefer send one-fourth the amount of order and we will ship C. O. D. for the balance. For list of our Novelties and some very special bargains we are offering, see pink pages in center of catalogue.

We positively stand back of everything we put out to the amount of the purchase price, but for your protection as well as ours, and to comply with the law, we give no warranty, express or implied, as to description, quality or productiveness of any seeds, bulbs or plants we sell, and we will not be in any way responsible for the crop. If you do not accept them on these terms, return them at once and get your money back.

VEGETABLE SEEDS

In our list of Vegetable and Flower Seeds we have selected those varieties which, after thorough trial, have proven best adapted to our soil and climate. Many varieties which under some conditions are excellent, in other places are absolutely worthless, and with the exception of a few which we list as novelties, we can recommend every kind in our catalogue.

ASPARAGUS

Columbian Mammoth. Very large early stalks, dark green and fine quality. Pkt. 5c, oz. 12c, $\frac{1}{4}$ lb. 30c, lb. \$1.00.
For Plants see Page 13

BEETS

Early Egyptian. Very early and excellent quality. Flat dark red, medium size. Pkt. 5c, oz. 12c, $\frac{1}{4}$ lb. 32c, lb. \$1.00.

Early Blood Turnip. Early round dark red. Fine quality and a good producer. Pkt. 5c, oz. 12c, $\frac{1}{4}$ lb. 32c, lb. \$1.00.

Eclipse. Mid-season, good size, round, light color and very sweet. Pkt. 5c, oz. 12c, $\frac{1}{4}$ lb. 32c, lb. \$1.00.

Detroit Dark Red. Large round dark red, late and a big producer. Fine quality and the best for winter use. Pkt. 5c, oz. 13c, $\frac{1}{4}$ lb. 35c, lb. \$1.10.

LEAF BEET OR SWISS CHARD

Lucullus. Very fast grower of large tender leaves. The best variety for table use and a big producer for poultry. Pkt. 5c, oz. 12c, $\frac{1}{4}$ lb. 32c, lb. \$1.00.

MANGELS OR CATTLE BEETS

Golden Tankard. Very large oval, yellow color. An immense producer. Oz. 10c, $\frac{1}{4}$ lb. 20c, lb. 60c.

Giant Rose Half Sugar. Very large and long, pink color. Contains a high percent of sugar and is a big producer. Oz. 10c, $\frac{1}{4}$ lb. 20c, lb. 60c.

Kirches Ideal. We import this seed direct from the grower in Germany and it is the best variety we have ever seen. Long barrel shape, growing about two-thirds out of the ground, but is not hard and woody. Contains the highest feeding value of any we know of and is a wonder to produce. Oz. 15c, $\frac{1}{4}$ lb. 30c, lb. 90c.

BEANS

The crop of seed beans harvested in 1928 was very short, some varieties being practically out of the market. On most varieties we are very short and you are advised to place your order early, as the prices will certainly advance and many of you will be unable to get at any price. We have given pound prices, to hold as long as our present stock lasts. Peck and bushel prices we will quote you, according to market conditions.

Webber Wax. Very early, a big producer of large yellow meaty pods. Fine for shipping and home gardens. $\frac{1}{4}$ lb. 15c, lb. 38c. (Pkt. 10c.)

Davis White Wax. Very hardy, a big producer, and the white seed can be used for dry beans. $\frac{1}{4}$ lb. 15c, lb. 38c. (Pkt. 10c.)

Pencil Pod Black Wax. Extra fine quality, round meaty pods. One of the best for home gardens. $\frac{1}{4}$ lb. 15c, lb. 40c. (Pkt. 10c.)

Improved Golden Wax. An old standard variety, always good. Pkt. 10c, $\frac{1}{4}$ lb. 15c, lb. 35c.

Early Six Weeks. Large meaty pods, good producer, fine quality. Pkt. 10c, $\frac{1}{4}$ lb. 15c, lb. 40c.

Giant Stringless Green Pod. A big producer of very fine quality either for market or home use. Pkt. 10c, $\frac{1}{4}$ lb. 15c, lb. 38c.

Longfellow Green Pod. Long round tender meaty pods. One of the best green snap beans for general use. Pkt. 10c, $\frac{1}{4}$ lb. 15c, lb. 36c.

Black Valentine. Very early fine quality green snap beans and a big producer. Pkt. 10c, $\frac{1}{4}$ lb. 15c, lb. 35c.

Kentucky Wonder Pole Bean. Long slender green pod. Excellent as snap beans and the dry beans are very rich and fine. Pkt. 10c, $\frac{1}{4}$ lb. 15c, lb. 40c.

White Kidney. A very big producing large white bean. Pkt. 10c, $\frac{1}{4}$ lb. 12c, lb. 30c.

Navy or Pea Bean. A small round white bean of fine quality and oh, what a producer. Pkt. 10c, $\frac{1}{4}$ lb. 12c, lb. 30c.

Giant Tree Bean. This has got them all beat. Very large seed, in shape between the Marrow and the Kidney. An immense producer and for quality nothing else can approach it. Pkt. 10c, $\frac{1}{4}$ lb. 15c, lb. 35c, peck \$4.60, bu \$17.00 while they last.

BRUSSEL SPROUTS

If you like cabbage or cauliflower and have never tried Brussel Sprouts you are missing a treat. Grow them as you do cabbage. Pkt. 5c, oz. 45c.

For Plants see Page 13

CRESS OR PEPPER GRASS

The sharp pleasant flavor makes this a very fine salad and the fine cut leaves make an excellent garnish. Pkt. 5c.

CAULIFLOWER

We have only the Snowball, as it is so superior to any other, especially in our climate and soil, that there is no comparison. It is a sure header, good size, solid and white and fine quality. Pkt. 15c, $\frac{1}{4}$ oz. 60c, oz. \$1.90.

For Plants see Page 13

CABBAGE

We handle an immense quantity of cabbage seed and are in a position to get the best that is grown.

Early Wakefield. A pointed head of good size and fine quality. The best variety for extreme early. Pkt. 5c, oz. 30c, $\frac{1}{4}$ lb. 95c, lb. \$3.00.

Golden Acre. A very early medium size round head. By many considered the best early, but we like our Early Roundhead a little better. Pkt. 10c, oz. 85c, $\frac{1}{4}$ lb. \$2.00.

Early Roundhead. Large size head of fine quality. Very early and excellent either for home use or shipping. Pkt. 5c, oz. 35c, $\frac{1}{4}$ lb. \$1.00, lb. \$3.25.

Copenhagen Market. Ours is an extra large heading strain of this, the best mid-season general purpose variety on the market. Pkt. 5c, oz. 35c, $\frac{1}{4}$ lb. 95c, lb. \$3.00.

Savoy Early Dawn. Deep green crinkled leaves, forming a medium size loose head. Very tender and fine flavor. Pkt. 10c.

Flat Dutch. Enormous size flat heads. A good keeper and if you want quantity this is the thing, but not equal in quality to our Danish Ballhead. Pkt. 5c, oz. 30c, $\frac{1}{4}$ lb. 90c, lb. \$2.75.

Red Rock. Ours is very dark red without the light veins in the leaves, which is so objectionable in many varieties. Round very hard heads and always brings the top price. Pkt. 5c, oz. 30c, $\frac{1}{4}$ lb. 90c, lb. \$2.75.

Danish Ballhead. Ours is the genuine imported short stem which we have been importing for twelve years. Is especially noted for its uniform size and shape and large yield. Pkt. 5c, oz. 30c, $\frac{1}{4}$ lb. 90c, lb. \$2.75.

For Plants see Page 13

CARROT

Oxheart. Very early, stump rooted, fair quality and a good producer. Pkt. 5c, oz. 13c, $\frac{1}{4}$ lb. 35c, lb. \$1.10.

Chantenay. Large, long and a good producer. Good table carrot and fine for stock feeding. Pkt. 5c, oz. 12c, $\frac{1}{4}$ lb. 32c, lb. \$1.00.

Danvers Half Long. Good size, a good producer, an excellent table carrot and profitable to grow for stock. Pkt. 5c, oz. 12c, $\frac{1}{4}$ lb. 32c, lb. \$1.00.

Long Orange. A large, long pointed carrot of good quality. If you have deep mellow soil is a wonderful producer for feeding. Pkt. 5c, oz. 12c, $\frac{1}{4}$ lb. 30c, lb. 95c.

Coreless—An early variety of excellent quality. Long oval shape with a blunt tip. Very fine flavor and free from the hard core found in most varieties. An excellent keeper and we consider it the best variety grown. Pkt. 5c, oz. 15c, $\frac{1}{4}$ lb. 40c, lb. \$1.35.

CELERY

Golden Self-Blanching. Very early, sweet and tender. Fine for early home use but rather small for market. Pkt. 10c, $\frac{1}{4}$ oz. 25c.

White Plume. Easy to blanch, a good keeper, fine quality and good size. Good for either home use or market. Pkt. 5c, $\frac{1}{4}$ oz. 15c, oz. 40c.

Golden Heart. Medium size, very tender and crisp. Pkt. 10c, $\frac{1}{4}$ oz. 25c.

Giant Pascal. Very large late winter variety. Good quality, a big producer and fine keeper. Pkt. 5c, $\frac{1}{4}$ oz. 15c, oz. 35c.

For Plants see Page 13

CORN

Early Sunshine. This is earlier than Bantam, full as sweet and a larger ear. We have tried this and consider it far superior to the Bantam. Pkt. 5c, $\frac{1}{4}$ lb. 15c, lb. 45c.

Golden Bantam. No description of this is necessary as it is the standard by which all sweetcorn is judged. Pkt. 5c, $\frac{1}{4}$ lb. 10c, lb. 28c.

Golden Evergreen. Very large ears of fine sweet flavored yellow corn. Coming a little later than Bantam, it should be in every garden. It is a big producer and brings the highest price in market. Pkt. 5c, $\frac{1}{4}$ lb. 10c, lb. 28c.

Early Evergreen. This is earlier than the old evergreen and a better quality. The latest variety we can grow here. Pkt. 5c, $\frac{1}{4}$ lb. 10c, lb. 27c.

Black Mexican. Very sweet and tender black kernels. Mid-season. Pkt. 5c, $\frac{1}{4}$ lb. 12c, lb. 32c.

Country Gentleman. For real flavor this has them all beat. Very large ears. Fine for the home garden but rather late. Pkt. 5c, $\frac{1}{4}$ lb. 12c, lb. 32c.

For peck and bushel prices write us.

POPCORN

Japanese Baby or Hulless. Small ears with very small kernels, which pop out very large and white. Pkt. 5c, $\frac{1}{4}$ lb. 12c, lb. 30c.

White Rice. An excellent variety, medium early and a good producer. Pkt. 5c, $\frac{1}{4}$ lb. 12c, lb. 30c.

Golden Queen. Yellow, smooth kernels, an immense producer, fine quality and quite early. Pkt. 5c, $\frac{1}{4}$ lb. 12c, lb. 30c.

SILAGE AND FIELD CORN

Early Wonder Silage. Very tall growing, with heavy foliage and large ears. Early maturing and high feeding value. \$3.75 per bu.

Imperial Leaming. If you want a cheaper seed there is nothing better than the Leaming at \$2.00 per bu.

Pyramid Yellow Flint. A very early state corn with large ears and a big cropper. \$3.75 per bu.

CUCUMBER

Early Cluster. Medium size and very early. A fair quality and grown mostly for pickles. Pkt. 5c, oz. 15c, $\frac{1}{4}$ lb. 45c, lb. \$1.35.

Early Fortune. Medium early, long dark green, fine shape, excellent quality. A fine variety either for home use or shipping. Pkt. 5c, oz. 15c, $\frac{1}{4}$ lb. 45c, lb. \$1.35.

Early Prolific. Extreme early, good size, long smooth, crisp and fine quality. It is an immense producer and as we grow our own seed, selecting only the best fruit, we consider it the best variety we offer. Pkt. 5c, oz. 20c, $\frac{1}{4}$ lb. 60c, lb. \$2.00.

White Spine. Large, crisp and tender. A big producer but late. Pkt. 5c, oz. 16c, $\frac{1}{4}$ lb. 50c, lb. \$1.50.

Davis Perfect Long Green. Long straight smooth dark green. A little earlier and a much better producer than the old Long Green and will continue bearing until frost. Pkt. 5c, oz. 15c, $\frac{1}{4}$ lb. 45c, lb. \$1.40.

Long Snake. Long slim fruit, often 15 to 18 inches. A peculiar novelty but fine quality and a good producer. Pkt. 5c.

White Wonder. A smooth pure white novelty. Pkt. 5c.

Lemon. Small round, looks like a large lemon. Very good quality. 10c pkt.

ENDIVE

Moss Curled. Fine curled tender leaves, which blanch a pure white. Pkt. 5c, oz. 13c.

Broad Leaf Batavian. Large straight thick leaves which blanch a pure white and are very crisp and tender. Pkt. 5c, oz. 15c.

French Whitloff. This makes a delicious winter salad. Grow in the summer as you do carrots, gather in the fall and cut off the tops but not too close. In winter plant in a box of soil in a warm cellar, putting straw or excelsior around the tops to blanch the leaves as they grow. Pkt. 10c.

KALE

Scotch Curled. Makes excellent greens for late fall. Pkt. 5c.

SPECIAL COLLECTION OF SEEDS

We offer a number of collections of Flower and Vegetable Seed which are genuine BARGAINS. Many of our old customers take advantage of them, but our principal idea is to get new customers to give our stock a trial. If you are not perfectly satisfied on receipt of any collection, just write on a postal "collection not satisfactory" and we will return your money and send stamps for return postage on the seed.

IN FLOWER SEED WE PUT UP FOUR

SURPRISE COLLECTIONS

POSEY BED COLLECTION

Contains ten varieties, enough to make a very pretty garden and flowers to cut. Postpaid 35c.

AMATEUR FLOWER BED

This has fifteen varieties in larger quantity, making a nice garden and plenty of flowers to cut. Postpaid 75c.

GRANDMA'S GARDEN

In this lot there are twenty-five varieties and will give you about all you want to take care of unless you make a business of it. You will have a fine garden with all the flowers you want for your own use besides plenty to give away. Postpaid \$1.50.

EXHIBITOR'S COLLECTION

This lot is put up for those who want something choice and different. It is intended for those who exhibit at the fairs or who want flowers that are out of the ordinary. At the regular price this lot would cost you over \$3.00, but if you will agree, in case any of the flowers are exhibited, to place a card with them stating the seed came from us, we will send it for \$2.00 postpaid.

Many people, while they realize that the packet seed they buy at the store are not the best quality and are rather expensive, yet they do not like to bother making out a list from the catalogue and will neglect buying until they are ready to plant, and then will use anything they can get.

For those persons we have made up a number of assortments for various size gardens of the best varieties in the right quantities, which we offer at special prices.

VEGETABLE COLLECTION No. 1

For a very small village garden, where only one or two people want a few fresh vegetables, we send ten varieties of those varieties everyone wants. Postpaid 35c.

VEGETABLE COLLECTION No. 2

If your garden is a little larger and you need a few more vegetables, we make up another collection of larger packets and fourteen varieties. 85c.

VEGETABLE COLLECTION No. 3

This lot will plant a good size garden and furnish the table all summer for a good large family. Eighteen varieties of seed in good quantities, for \$1.50.

BROOKFIELD FAIR COLLECTION

We have named this the Brookfield Fair Collection, because there have been some excellent exhibits of vegetables there and we want them to be even better and think we can help make them so. These are made up entirely of Extra Choice Varieties and Novelties, and at this time cannot tell you all that will be included as we are still looking for "Something Different" to add. It is enough to say you will get far more than you pay for, as we are doing this to advertise. Unless you are looking for something "Extra" don't bother with this. Sent postpaid for \$1.50, but only with the agreement that you place a card on the exhibit stating that the seed came from us.

SPECIAL TO JUNIOR PROJECT AND 4-H CLUB WORKERS

To any boy or girl who wishes to grow Flowers or Vegetables for this work or any Vegetables to feed to poultry or animals they are raising, we will furnish any seed in our catalogue, EXCEPT SILAGE AND FIELD CORN, at one-third off the prices quoted.

SPECIAL CLUB ORDERS

We will make a very liberal discount to Granges or other organizations or to any person who would like to send in a Club Order. Send and ask for our Discount Sheet.

WHOLESALE TO MARKET GARDENERS

It is customary in all lines of business to give special rates to those "who buy to sell again". We would suggest that Market Gardeners or those who grow to sell at a roadside stand write us for special prices.

PLANT COLLECTIONS

ASTER PLANT COLLECTION

We will send 100 field grown plants, ready about June 20th, an assortment of all varieties and colors, postpaid for \$1.25.

Sulphate of Ammonia. A very strong concentrated nitrogenous fertilizer, making quick growth. Excellent where foliage and quick growth is wanted. 1 lb. 15c, 5 lbs. 60c, 10 lbs. \$1.00, 11 to 100 lbs. 8c, 100-lb. bag \$6.00.

Fairway Lawn and Garden Fertilizer. Very high grade general fertilizer. 25-lb. bag. \$1.75, 50 lbs. \$3.00, 100 lbs. \$5.00.

Bloomaid. Odorless, quick acting and very strong. The best we have yet found for house plants. Lb. can 25c.

FUNGICIDE AND INSECTICIDES

Tobacco Dust. For lice on poultry, plants or animals. Extra fine quality. Lb. 15c, 2 lbs. 25c, 5 lbs. 50c, 12 lbs. \$1.00.

Powdered Sulphur. Very effective for mowed and mildew. Lb. 12c, 5 lbs. 50c.

Corona Arsenate of Lead. 1 lb. 35c, 4 lbs. \$1.10.

Corona Calceate. 1 lb. 25c, 5 lbs. 85c.

Corona Bordo Mixture. Lb. 30c, 5 lbs. \$1.20.

We are not listing the Bordo-Arsenate Mixture this year, as we find nearly everyone gets better results to buy separate and do their own mixing.

Garden Guard. An excellent fungicide and insecticide for house plants and the garden where only a small quantity is wanted. Lb. can 25c.

Black Leaf 40. This is the best nicotine sulphate solution on the market and for aphids or lice or any sucking insect it can't be beat. It is used a great deal for spraying fruit trees, roses, peas or any plants infected with lice. It is also used in great quantities by many of the best poultrymen to rid their houses of lice, being highly recommended by the experiment stations. We will be glad to send you special literature on the subject if you are interested. One ounce will make about six gallons of spray, one lb. about 96 gal. Oz. bottle 35c, 1/2-lb. can \$1.25, 2-lb. can \$3.25, 10-lb. can \$12.00.

Semesan. This new seed, plant and soil disinfectant has proven to be a very fine thing and is used by many of the better growers and experiment stations. It will prevent and control diseases carried by seed or bulbs or that may be in the soil. It hastens germination and makes stronger plants. This is a big claim but we have used it ourselves and find it does all that is claimed. 2 oz. 50c, 8 oz. \$1.60, 1 lb. \$2.75.

Semesan Bel. Practically the same ingredients but put up in a different form to be used on potatoes and bulbs. Lb. \$1.75.

Semesan Jr. Another form, put up according to a cheaper formula, to be used on corn. Lb. \$1.75.

Crow Repellant. A non-poisonous liquid, which put on seed corn will positively protect it from crows and other birds. My farm is thick with pheasants and starlings and it absolutely kept them away last year. Enough for 1 bu. seed \$1.00, 2 bu. can \$1.50.

Tree Tanglefoot. Paint a strip around your trees with this and have no trouble with worms. 75c.

TOOLS

Magic Weeders. For close weeding close around small plants the Magic has them all beat. We use them a great deal in the greenhouse and around our small plants.

Magic A. Has three strong curved tines one a nine-inch handle and weighs less than four ounces. 20c.

Magic C. Has three prongs like "A", but on an 18-inch handle. 30c.

Magic F. Has four very strong but light prongs on a 52-inch handle. For light work where you want a longer reach it is fine. 75c.

Norcross Weeders. These are heavier than the Magic, very strongly made and for garden work can't be beat.

Norcross Midget. Has three heavy prongs on a 12-inch handle. 65c.

Norcross No. 3. Three strong prongs well set on a four-foot handle. 85c.
